SAILING AS A HIGH SCHOOL SPORT.

Competitive sailing involves fast-paced, short-course team racing, where one-design boats race each other without any handicaps, starting at the same time, sailing a set course and the winner of each race is the first to cross the finish line scoring points based on finish position with the lowest points winning. Teams compete locally, regionally and nationally in regattas and championships.

WELCOME ABOARD!

High school sailing is the fastest going sport in the US including Ohio. The sport of sailing typically operates with the permission of your high school using Hoover Sailing Club (HSC) facilities, gear and coaches. It is a pay to play sport.

We practice twice a week on Tuesday and Thursday with a start time on the water at 5:30pm. This means come early to help rig boats. Practice is over by 8:00pm (earlier as the sun sets earlier). Regattas fall on the weekends locally and regionally.
